PROFILE SUMMARY

Highly motivated Front-End Developer with a solid foundation in HTML, CSS, JavaScript, and React. I graduated with a Bachelor's degree in Computer Science from Jai Narayan Vyas University, Jodhpur in 2024, and I excel at creating responsive, user-centric web applications. Known for my strong problem-solving abilities, effective communication, and collaborative spirit, I thrive in dynamic, team-oriented environments. With a commitment to continuous learning and a passion for innovative design, I bring both technical expertise and a keen eye for detail to every project I undertake.

PROFESSIONAL EXPERIENCE

OPEN BOOTCAMP (Certificate)   **INTERNSHIP - REMOTE**
Web Development Intern   **AUG-2024 – OCT-2024**
- • Developed front-end skills in HTML, CSS, JavaScript, and React.
- • Completed three assignment projects focused on responsive design and component architecture.
- • Gained practical experience with state management and API integration.
- • Collaborated with peers using version control and agile methodologies.
- • Enhanced problem-solving abilities and coding proficiency.
- • Cultivated a strong passion for web development and readiness for future challenges.

SKYSCANNER (Certificate)   **APPRENTICESHIP - REMOTE**
FRONTEND SOFTWARE JOB SIMULATION   **JUN-2024 – JULY-2024**
- • Developed front-end skills in HTML, CSS, JavaScript, and React.
- • Completed three assignment projects focused on responsive design and component architecture.
- • Gained practical experience with state management and API integration.
- • Collaborated with peers using version control and agile methodologies.
- • Enhanced problem-solving abilities and coding proficiency.
- • Cultivated a strong passion for web development and readiness for future challenges.

PROJECTS

---

1. **GAME LISTING WEBSITE - (REACT,REDUX,TAILWIND,JAVASCTIPT,VITE,VERCEL,TYPESCRIPT)**
   - **Modern Web Technologies:** Developed a dynamic game listing web application using TypeScript, JavaScript, Tailwind CSS, and Vite. This modern tech stack ensured high performance, maintainability, and streamlined development.
   - **Responsive & Intuitive UI:** Designed and implemented a fully responsive user interface that adapts seamlessly to mobile, tablet, and desktop devices. Integrated interactive elements such as filtering and sorting to enhance the user experience.
   - **End-to-End Deployment:** Successfully deployed the project on Vercel, ensuring fast load times and scalability. The live demo showcases real-time game data, smooth transitions, and a user-friendly design that encourages engagement.

2. **EMPLOYEE MANAGEMENT SYSYTEM -**
   (REACT,REACT-ROUTER,TAILWIND,JAVASCTIPT,VITE,VERCEL) -
   - **Modern Frontend Architecture:** Developed a robust Employee Management System using React and Vite, featuring hot module reloading (HMR) and a streamlined development environment to boost efficiency and productivity.
   - **Responsive and Interactive Interface:** Engineered a responsive UI that dynamically manages employee data,

ensuring seamless interactions across devices while maintaining optimal performance and usability.

- **Seamless Deployment & Code Quality:** Successfully deployed the application on Vercel for real-time access and continuous integration, with ESLint configured to enforce best coding practices and maintain code quality

ADDITIONAL INFORMATION

- Tools: Redux, Git, Github, Vercel, VsCode, Bolt, Vite, Babel
- Technical Skills: Html5, Css3, JavascriptEs6, React.js, Tailwind, React-Router , MeterialUI , Gsap, Version Control ,Prompting, AJAX, JSON, Axios,
- Certifications:
  I.   Frontend Web Development by IBM   Certificate
  II.   Responsive Web Design by Free-Code-Camp   Certificate
  III.   Introduction of Front-End Development by Meta   Certificate
  IV.   Prompt Engineering by Cognitive-Class   Certificate

EDUCATION

JAI NARAIN VYAS UNIVERSITY   JODHPUR, Rajasthan
BACHELOR OF COMPUTER APPLICATION (8.2 CGPA)   2021-2024

BOARD OF SECONDARY EDUCATION   Ajmer , Rajasthan
12th in PCM (79%)   2019-2020
